THE PRACTICE-CENTERED MEETING™

Turn every company meeting into a learning experience.

Every company meeting is a learning opportunity.

The question is whether people simply receive information—or whether they have the opportunity to **practice**.

THE CORE: 5 SIMPLE STEPS

1

CONNECT

Align the meeting to what matters most.

2

ENGAGE

Inspire participation through relevant content and interaction.

3

PRACTICE

Use realistic challenges or simulations to make decisions and solve problems.

4

REFLECT

Debrief, discuss, and capture key insights.

5

APPLY

Commit to actions that turn learning into results.

EASY TO IMPLEMENT

FLEXIBLE

Fits any meeting type, audience, or format.

SIMPLE

Small design choices create big impact.

PROVEN

Builds capability, energy, and business results.

THE RESULT:

Higher Engagement
People participate and stay connected.

Greater Effectiveness
Ideas are understood, applied, and retained.

Stronger Performance
Better decisions today. Better results tomorrow.
